September 2024

Position Open for **Neuro OT**

Inter-Action Rehabilitation Inc. has an opening for a registered occupational therapist with experience and a keen interest in treating the neuro upper extremity/hand. Training in neurodevelopmental treatment techniques, myofascial release, e-stim and the successful use of these techniques will make you the ideal candidate. Experience in working with a neuro based patient population including stroke, brain injury and/or spinal cord injury is a requirement. Experience in assessing and treating cognitive perceptual dysfunction is preferred. As treatment may be provided in clinic and/or home setting a car is required. We are looking for the right candidate to welcome to our team of experienced therapists. Flexible start date and flexible working hours available.

Please email your CV to nancyk@interactionrehab.com.
